Data Controller and Owner

Types of Data collected

This Application doesn't collect any Personal Data!

The User is not asked to (freely) share any type of Personal Data and no automatic extraction of Data is programmed in the Application.

This Application stores locally specific Usage Data: e.g. number of correct answers obtained at the abstract reasoning tests. These statistics are shown to the User that has the option to share these results on Facebook, by using a feature in the Application.

The collected of this specific Usage Data is fully anonymous and doesn't allow for User identification.

The Owner may decide to reuse this specific Usage Data and repatriate it automatically to the Abstract Reasoning servers (hosted by romarg.eu, WIX.com) in order to automatically process it for reporting and statistics.

Mode and place of processing the Data

Method of processing

The Data Controller processes the Usage Data of Users in proper manner and shall take appropriate security measures to prevent unauthorized access, disclosure, modification or unauthorized destruction of the Data.

Access to the Data may be available to Data Processors, if appointed, as well as employees involved with the processing. Access to Data may be also available to external parties providing services to the Data Controller such as third party technical service providers, mail carriers, and hosting providers.

The Owner can process and publish these statistics on the Abstract Reasoning websites and on the social media public accounts.

The Owner doesn't share these statistics with any other External Parties while it's using the infrastructure (e.g. application server, database) provided by the hosting providers (romarg.eu, WIX.com).

Place

The specific Usage Data is processed in Europe: Romania and Belgium.

Conservation Time

The specific Usage Data is kept forever, and the User can always request the Data Controller for their suspension or removal.

Additional information about Data collection and processing

Legal Action

There is no Personal Data to be used in the context of a legal action.

System Logs and Maintenance

For operation and maintenance purposes, this Application and any third party services may collect files that record interaction with this Application (System Logs).

Information not contained in this policy

More details concerning the collection or processing of Personal Data may be requested from the Data Controller at any time at its contact information.

The rights of Users

Users have the right, at any time, to know whether their Personal Data has been stored and can consult the Data Controller to learn about their contents and origin, to verify their accuracy or to ask for them to be supplemented, cancelled, updated or corrected, or for their transformation into anonymous format or to block any data held in violation of the law, as well as to oppose their treatment for any and all legitimate reasons. Requests should be sent to the Data Controller at the contact information set out above.

Changes to this privacy policy

The Data Controller reserves the right to make changes to this privacy policy at any time by giving notice to its Users on this page. It is strongly recommended to check this page often, referring to the date of the last modification listed at the bottom. If a User objects to any of the changes to the Policy, the User must cease using this Application and can request the Data Controller to erase the Personal Data. Unless stated otherwise, the then-current privacy policy applies to all Personal Data the Data Controller has about Users.

Definitions and legal references

Personal Data (or Data)

Any information regarding a natural person, a legal person, an institution or an association, which is, or can be, identified, even indirectly, by reference to any other information, including a personal identification number.

Usage Data

Information collected automatically from this Application (or third party services employed in this Application), which can include: the IP addresses or domain names of the computers utilized by the Users who use this Application, the URI addresses (Uniform Resource Identifier), the time of the request, the method utilized to submit the request to the server, the size of the file received in response, the numerical code indicating the status of the server's answer (successful outcome, error, etc.), the country of origin, the features of the browser and the operating system utilized by the User, the various time details per visit (e.g., the time spent on each page within the Application) and the details about the path followed within the Application with special reference to the sequence of pages visited, and other parameters about the device operating system and/or the User's IT environment.

User

The individual using this Application, which must coincide with or be authorized by the Data Subject, to whom the Personal Data refer.

Data Subject

The legal or natural person to whom the Personal Data refers.

Data Processor

The natural person, legal person, public administration or any other body, association or organization authorized by the Data Controller to process the Personal Data in compliance with this privacy policy.

Data Controller (or Application Owner, or Owner)

The natural person, legal person, public administration or any other body, association or organization with the right, also jointly with another Data Controller, to make decisions regarding the purposes, and the methods of processing of Personal Data and the means used, including the security

measures concerning the operation and use of this Application. The Data Controller, unless otherwise specified, is the Owner of this Application.

This Application

The hardware or software tool by which the User Personal Data is collected.

Legal information

Notice to European Users: this privacy statement has been prepared in fulfillment of the obligations under Art. 10 of EC Directive n. 95/46/EC, and under the provisions of Directive 2002/58/EC, as revised by Directive 2009/136/EC, on the subject of Cookies.

This privacy policy is solely about this Application.
